

Free Financial Planning Session Offered for Families Experiencing Gambling Problems

Join Us!

The Council is seeking to help families experiencing the financial impact of problem gambling.

We would like to offer you the opportunity to meet individually with a Certified Financial Planner who is trained to handle challenging financial situations that involve problem gambling.

The confidential session is being offered free of charge to family members. Each family is invited to attend one, two-hour session. The planner will advise you about how to protect your assets, deal with debt, and rebuild credit, among other things.
